MEMORANDUM FOR DISTRIBUTION

SUBJECT: Policy Memorandum #01-31, Use of Vehicle Resale Lot for Sale of Privately-Owned Vehicles (POVs)

1. References:

a. AER 190-1, Driver and Vehicle Requirements and the Installation Traffic Code for the U.S. Forces in Germany, 13 Aug 10

b. AER 600-700, Identification Cards and Individual Logistic Support, 4 Feb 10

2. Purpose. To establish guidelines and procedures for the operation of the POV Resale Lot, a central location at which personnel may sell or purchase USAREUR-plated POVs. USAREUR-plated vehicles include cars, motorcycles, boats and recreational vehicles.

3. Scope. This policy applies to members of the U.S. Forces (Army, Navy, Marines, Air Force and Coast Guard) and the civilian component (including Family members) who are assigned to or employed within the geographic boundaries of Germany, and who are authorized a U.S. Forces Certificate of License and POV registration privileges under AER 190-1.

4. Procedures: The POV Resale Lot is the only authorized location on post to park a POV in order to display it for resale. Vehicles parked elsewhere in the USAG Schweinfurt community for the purpose of advertising their sale will be cited with an Armed Forces Traffic Citation (DD Form 1408). The USAG Schweinfurt POV Resale Lot is located on Ledward Barracks in the parking lot directly behind the shuttle bus stop across from the Warrior Zone.

5. Policy: Vehicle owners desiring to park a vehicle in the POV Resale Lot may do so as long as they meet the below criteria:

a. Vehicle owners must first go to the Military Police Station to obtain a POV Resale Lot Parking Permit. Vehicles that do not have a POV Resale Lot Parking Permit will be impounded at the owner's expense. Before a permit is issued, the Desk Sergeant will verify that the vehicle is operational and that the vehicle owner has a valid USAREUR vehicle registration. The USAREUR vehicle registration must be valid for more than 30 days. POV Resale Lot Parking Permits will be issued for 30 days. A onetime extension can be granted for an additional 30 days if the USAREUR vehicle registration remains valid. Due to the limited parking spaces on the POV Resale Lot, extension will be granted on a case-by-case basis. Total vehicle time in the POV Resale Lot will not exceed 60 days. Only one vehicle per owner will be allowed on the

POV Resale Lot at one time within a 60 day period. Exceptions must be approved by the Director of Emergency Services.

b. Vehicles must remain legally parked and in full operational status while parked on the POV Resale Lot. Owners with vehicles that have excessive leaks of fluids (anti-freeze, oils, brake fluids, et.) will not be allowed to park in the POV Resale Lot until all deficiencies are corrected. Any vehicles showing leakage must be removed immediately. Owners of vehicles with such leaks will be notified and the vehicle must be removed within 24 hours. If the vehicles is not moved within 24 hours it will be cited for environmental hazard and moved to the USAG Schweinfurt Impound Lot on Conn Barracks at the owner's expense. Vehicle repairs and/or maintenance are not permitted in the POV Resale Lot.

c. Vehicles will not be allowed to remain on the POV Resale Lot past the expiration date on the POV Resale Lot Parking Permit. Vehicle owners planning to be deployed, on temporary duty or on extended leave, must move their vehicle from the POV Resale Lot. If the parking permit has expired the MP Station will attempt to contact the owner/POC and make arrangements to have them remove the vehicle. If the vehicle is not moved within 24 hours, the Military Police will tag the vehicle for abandonment and relocate it to the USAG Schweinfurt Impound Lot at the owner's expense.

6. Proponent. The proponent for this policy is the Director of Emergency Services. Please direct any questions or concerns to the DES at DSN 354-6624.
